Berserk (1997–1998)

- Wikiquote/Berserk (anime).

3.1 Guts

1. "Even if we painstakingly piece together something lost, it doesn't mean things will ever go back to how they were."
2. "You're going to be all right. You just stumbled over a stone in the road. It means nothing. Your goal lies far beyond this. Doesn't it? I'm sure you'll overcome this. You'll walk again... soon."
3. "One who does something he hates just because he's told to.. is called an errand boy."
4. "You're right, we are mortal and fragile. But even if we are tortured or wounded, we'll fight to survive. You should feel the pain we feel and understand. I am the messenger that will deliver you to that pain and understanding."
5. "When you meet your God tell him to leave me alone."
6. "Throughout my life, the moments, and people who have defined me... they have all been illuminated by sparks."
7. "If you're alone... if it's just your life, you can use it however you please. Wear yourself out, get cut to ribbons, doesn't matter. But when there's two, the blade grows heavy. Fighting like death doesn't concern you becomes a thing of the past. It's no longer just you. I threw away my way of life, relied on the strength of others, and somehow pushed on."
8. "In the end the winner is still the last man standing."
9. "I don't want what another man can give me. If he grants me anything, then it's his to give and not my own."
10. "Look, look around carefully. Strain your eyes. At the darkness around us... At the darkness... around me. You said, "anywhere but here". This is where. Here at the border. Gathered by the winds. Those who've met their final destiny hanging between jealousy and regret. Those who failed, swept together here. You say "It doesn't matter where". If you follow me, this is where you'll go! This is your Eden! You run from it. It is no Eden. If you follow me... to this place... the entire world... is a battlefield."
11. "FUCK YOU. I'm human, the real deal, right down to the fuckin' marrow of my bones. Don't lump me together with you faggot-ass monsters."
12. "The reward for ambition too great... is self destruction."
13. "People bring the small flames of their wishes together... since they don't want to extinguish the small flame... they'll bring that small flame to a bigger fire. A big flame named Griffith. But you know... I didn't bring a flame with me. I think I just stopped by to warm myself by the bonfire."
14. "My place really was here. I was too foolish and stubborn to notice. But, what I truly hoped for then was here. Why do I always realize it... when I've already lost it."
15. "If you're always worried about crushing the ants beneath you... you won't be able to walk."
16. "I'd rather fight for my life than live it."

17. "People who perish in other's battles are worms... If one can't live their life the way they want, they might as well die."
18. "You have the strongest armor, because you are the weakest!"
19. "In this world is the destiny of mankind controlled by some transcendental entity or law? Is it like the hand of god hovering from above? Perhaps men have no control even over their own will."
20. "Dreams, ambition, love, hope; in this world, could the glories of a youthful heart be.. forbidden?"
21. "DO NOT PRAY! If you pray, your hands will close together. You will not be able to fight!"
22. "That thing was too big to be called a sword. Too big, too thick, too heavy, and too rough, it was more like a large hunk of iron."
23. "I will never draw my sword for another man again, or be dangled by another mans dream. From now on, I will fight my own battles."

3.2 Griffith

1. "While many can pursue their dreams in solitude, other dreams are like great storms blowing hundreds, even thousands of dreams apart in their wake. Dreams breathe life into men and can cage them in suffering. Men live and die by their dreams. But long after they have been abandoned they still smolder deep in men's hearts. Some see nothing more than life and death. They are dead, for they have no dreams."
2. "It is my perception, that a true friend never relies on another's dream. A person with the potential to be my true friend, must be able to find his reason for life without my help. And, he would have to put his heart and soul into protecting his dream. He would never hesitate to fight for his dream, even against me. For me, a true friend is one who stands equal on those terms..."
3. "Is he living his dreams in death? Or... is death the end of dreams?"
4. "A friend would not just follow another's dream... a friend would find his own reason to live."
5. "Death on the battlefield comes regardless of class, royal or common. The loser must die!"
6. "Among thousands of comrades and ten thousand enemies, only you... only you made me forget my dream. I see it!"
7. "A dream... It's something you do for yourself, not for others."
8. "I feel no responsibility to comrades who've lost lives under my command. Because they chose to fight in each battle.. Just as I chose this. But if there is something that... I can do for them. Something I can do for the dead... Then it is to win! I must keep winning to attain my dream. The same one they clung to, and risked their lives for!! To realize my dream, I will perch on top of their corpses.. It is a blood-smeared dream, after all. I don't regret or feel guilty about it.. But to risk thousands of lives while never getting myself dirty. It's not a dream that can be so easily realized!"

3.3 Schierke

1. "No matter how strong, for a human to fight a monster means he has submerged his humanity and transformed himself into a greater monster."

3.4 Godo

1. "Hate is a place, where a man who can't stand sadness goes."
2. "If you desire one thing for so long, it's a given that you'll miss other things along the way. That's how it is... that's life."

3.5 Judeau

1. "Whether it's good or bad, it's so unfortunate to wake up during a dream."

3.6 Void

1. "Dreams. Each man longs to pursue his dream. Each man is tortured by this dream, but the dream gives meaning to his life. Even if the dream ruins his life, man cannot allow himself to leave it behind. In this world, is man ever able to possess anything more solid, than a dream?"

2. "If fate is a principle beyond Human comprehension which capriciously torments man, then it is karma that man confront fate by embracing sorcery."

3.7 Kentaro Miura

1. "Living for the future is more important than trying to avenge the past." - Kentaro Miura, Berserk, Vol. 2

2. "Don't forget... when you gaze into the darkness... the darkness gazes back into you." - Kentaro Miura, Berserk, Vol. 26

5. "You went alone. You were right beside those irreplacable things... yet you couldn't bear to immerse yourself together in sorrow with them. So instead... you ran away so that your own malice could burn within you." - Kentaro Miura, Berserk, Vol. 17

6. "Things you have now, things you've lost. People who're near by, people who've gone far away. No matter what you choose, truth is, both regret and reluctance are going to follow you around. You just have to make sure you don't make excuses to yourself down the road." - Kentaro Miura, Berserk, Vol. 38

7. "Even these thoughts will slip my mind in time. And then... only... the beat of my heart still remains." - Kentaro Miura, Berserk, Vol. 7

8. "Beneath an unsinking black sun... through the boundless gloom... our journey continues."

Chapter 4

BoJack Horseman (2014–2020)

4.1 BoJack Horseman

1. "He's so stupid he doesn't realize how miserable he should be. I envy that."
2. "Ow, crap. I hate this. Running is terrible. Everything is the worst."
3. "You know sometimes I feel like I was born with a leak, and any goodness I started with just slowly spilled out of me, and now it's all gone. And I'll never get it back in me. It's too late. ... Life is a series of closing doors, isn't it?"
4. "You are a horrible person, and you not understanding that you're a horrible person, doesn't make you less of a horrible person."
5. "I'm responsible for my own happiness? I can't even be responsible for my own breakfast!"
6. "You sleep on my couch and you don't pay rent. I've had tapeworms that are less parasitic. I don't even remember why I let you stay with me in the first place."
7. "Man, I really regret buying those muffins and then eating them all on the drive home."
8. "I feel like my life is just a series of unrelated wacky adventures"
9. "I don't understand how people... live. It's amazing to me that people wake up every morning and say: 'Yeah, another day, let's do it.' How do people do it? I don't know how."
10. "Look, for a lot of people, life is just one long hard kick in the urethra."
11. "Same thing that always happens. You didn't know me and then you fell in love with me. And now you know me."
12. "Now if you excuse me, I need to go take a shower so I can't tell if I'm crying or not."
13. "I spend a lot of time with the real me and believe me, nobody's gonna love that guy."
14. "Yeah, I ate them all in one sitting because I have no self-control and I hate myself."
15. "nothing on the outside, nothing on the inside" as he runs his hand over the oven
16. "Settle. Because otherwise you're just gonna get older and harder, and more alone. And you're gonna do everything you can to fill that hole, with friends, and your career, and meaningless sex, but the hole doesn't get filled. One day, you're gonna look around and you're going to realize that everybody loves you, but nobody likes you. And that is the loneliest feeling in the world."
17. "I want to feel good about myself. The way you do. And I don't know how. I don't know if I can."
18. "Fool me once, shame on you. But teach a man to fool me and I'll be fooled for the rest of my life"
19. "Dead on the inside, dead on the outside."
20. "I have half a mind..."
21. "I can't say no to people because I want everyone to like me."

22. "It's made up by Steven Spielberg to sell movie tickets. It's like the happiness or the Munich Olympics, it doesn't exist in the real world. The only thing to do now is just to keep living forward."
23. "We're just two lonely people trying to hate ourselves a little less."
24. "your girlfriend has a stripper name"
25. "Kelsey, in this terrifying world, all we have are the connections that we make. I'm sorry I got you fired, I'm sorry I never called you after."
26. "Being a movie star is the hardest job, and we get no recognition!"
27. "Todd, your good-hearted naivety has once again conspired with outrageous happenstance to completely dick me over!"
28. "Why 12 steps? Nobody wants to do 12 of anything. Did you see '12 Years A Slave' and think 'that's a short number of years to be a slave?"'
29. "When your father dies, you ask yourself a lot of questions, like 'Wait, did you say he died in a duel?' and 'Who dies in a duel?"'
30. "Is it possible that this whole time, I've been an amazing feminist hero and nobody knew it?"
31. "Diane, I am a famous – everyone gives me everything I want all the time. It is an existential curse, but a huge day-to-day convenience."
32. "You've got a nice set of pipes. You're like a Josh Groban who doesn't also think he's funny."
33. "I want to do things with you. Fully clothed, sober, in daylight hours."
34. "How can I put this... imagine if the Holocaust happened every four years like the Olympics. I would rather THAT happen than your rock opera."
35. "Goddammit, Honeydew? Jesus, why does Cantaloupe think every time it gets invited to a party it can bring along its dumb friend Honeydew? You don't get a plus one Cantaloupe."
36. "There's that old saying: Liquor before beer, never fear, don't do heroin."
37. "Why put the skip ad button so late? I'm not skipping now. I'm invested."
38. "I drove, but I moved my arm a bunch so the Fitbit counted the miles."
39. "That was, and I don't say this lightly, worse than 100 September 11ths."
40. "'Here's the thing about most long distance plans.' I hate that. 'Here's the thing.' It's so stupid! Just say the thing! You don't need to introduce the concept that there's going to be a thing."
41. "Todd! Get in the car. It is time to get serious about autoerotic asphyxiation."
42. "Also, are you wearing comfortable shoes? Because I feel like that was a long road to walk to get to that punchline."
43. "I'm sorry I accused you of murder, American TV legend Henry Winkler."
44. "Slap my salami, the guy's a commie."
45. "I told you, that's not what was happening that time! I was masturbating to what the picture represented! And you came in at the worst possible time!"
46. "'Neigh way, Jose!' I improvised that line. I mean, it was scripted, but I gave it the ol' BoJack spin."
47. "Well, that was another in a long series of regrettable life choices."
48. "It's so sad that when you see someone as they really are, it ruins them."
49. "I've had a lot of what I thought were rock bottoms, only to discover another, rockier bottom underneath."
50. "Just pretend you are happy, and eventually you'll forget you're pretending."
51. "I have poison inside me, and I destroy everything I touch."
52. "The only thing to do now is just to keep living forward."

53. "My darling mother gave the eulogy. My entire life, I never heard her say a kind word to OR about my father, but at his funeral, she said, "My husband is dead, and everything is worse now."
54. "I'm gonna say "Hello. I am BoJack Horseman. Obviously, you know who I am, because I'm very famous, and also because we called ahead. And I am here because ... I need help."
55. "I don't hate the troops, I just hate one specific troop. I don't even hate him, I just think he's wrong about the muffins."
56. "All I learned about being good, I learned from TV. And in TV, flawed characters are constantly showing people they care with these surprising grand gestures. And I think that part of me still believes that's what love is."
57. "I told you, that's not what was happening that time. I was masturbating to what the picture represented! You walked in at the worst possible moment."
58. "You turn yourself around. That's what it's all about."
59. "I don't cry in front of other people."
60. "But in real life, the big gesture isn't enough. You need to be consistent, you need to be dependably good. You need to do it every day, which is so ... hard."
61. "What more do you want?! What else could the Universe possibly owe you?"

4.2 Diane Nguyen

1. "It's not about being happy, that is the thing. I'm just trying to get through each day. I can't keep asking myself 'Am I happy?' It just makes me more miserable. I don't know If I believe in it, real lasting happiness, All those perky, well-adjusted people you see in movies and TV shows ? I don't think they exist."
2. "Idea for a new app: an undo button that can undo long amounts of time. Three months. A year. A life."
3. "Even if no one appreciates you, it's important that you don't stop being good."
4. "When I was a kid, I used to watch you on TV, and you know I didn't have the best family. Things weren't that great for me. But, for half an hour, every week, I got to watch this show about four people who had nobody, who came together and became a family, and for half an hour, every week, I had a home, and it helped me survive."
5. "Well, that's the problem with life, right? Either you know that you want and then you don't get what you want, or you get what you want, and then you don't know what you want."
6. "Most people don't even get to do the brady bunch version of the thing they want to do with their lives."
7. "You're responsible for your own happiness, you know?"
8. "You learn that you can survive being alone."
9. "Sometimes life's a bitch and you keep living."
10. "There are people in your life that help you become the person you end up being, and you can be grateful for them, even if they were never meant to be in your life forever."
11. "Every happy ending has the day after the happy ending."
12. "There's no deep down, I believe that all we are is what we do."
13. "There's no such thing as "bad guys" or "good guys". We're all just... guys, who do good stuff sometimes and bad stuff sometimes. And all we can do is try to do less bad stuff and more good stuff, but you're never going to be good because you're not bad."

4.3 Todd Chavez

1. "Things don't become traditions because they're good, BoJack, they become good because they're traditions."
2. "You can't keep doing shitty things, and then feel bad about yourself like that makes it okay! You need to be better!"
3. "You are all the things that are wrong with you."

4.4 Princess Carolyn

1. "Oh fish. Of course! Why would you ever make things easy for me when instead you could make things incredibly difficult. Laura! Clear our my schedule! I have to push a boulder up a hill and then have it roll over me time and time again with no regard for my well-being!"
2. "That woman can knock a drink back like a Kennedy at a wake for another Kennedy, but I'll be damned if she doesn't get shit done!"
3. "BoJack, I'm gonna level with you, honey. This whole you-hating-the-troops thing is not great."
4. "Because my life is a mess right now and I compulsively take care of other people."
5. "I got into this business because I love stories. They comfort us, they inspire us, they create a context for how we experience the world. But also, you have to be careful, because if you spend a lot of time with stories, you start to believe that life is just stories, and it's not. Life is life, and that's so sad because there's so little time and ... what are we doing with it?"
6. "So, are you available for Tuesday, or are you gonna be too busy masturbating to old pictures of yourself."
7. "Stop pissing off the orphans. A lot of them grow up to be serial killers."

4.5 Mr. Peanutbutter

1. "Sweetie, you know I support you, whatever you want to do, but you're not gonna find what you're looking for in these awful made-up places. The universe is a cruel, uncaring void. The key to being happy isn't the search for meaning; it's just to keep yourself busy with unimportant nonsense, and eventually, you'll be dead."
2. "Everybody deserves to be loved"
3. "Crack an egg on your head. Let the yolk drip down."
4. "All I ever wanted was to be your friend ... and you treat me like a big joke. You think I don't notice? Why don't you like me?"
5. "I told you I don't know where it is. Don't put things in my butt if you want them back."

4.6 Herb Kazzaz

1. "You know what your problem is? You want to think of yourself as the good guy. Well, I know you better than anyone, and I can tell you that you're not. In fact, you'd probably sleep a lot better at night if you just admitted to yourself that you're a selfish goddamn coward who just takes whatever he wants and doesn't give a shit about who he hurts. That's you. That's BoJack Horseman."
2. "There is no other side."

4.7 Beatrice Horseman

1. "I'm punishing you for being alive."
2. "I just wanted to tell you that I know. I know you want to be happy, but you won't be... and I'm sorry."

   BoJack: "... What?"

   "It's not just you, you know. Your father and I, we, well... you come by it honestly, the ugliness inside you. You were born broken, that's your birthright. And now you can fill your life with projects your books and your movies and your little girlfriends but... that won't make you whole. You're BoJack Horseman. There's no cure for that."
3. "Don't throw your dreams away for this child. Don't let that man poison your life the way he did mine. You are going to finish your schooling and become a nurse. You'll meet a man, a good man, and you'll have a family, but please, believe me, you don't want this. Please, Henrietta, you have to believe me. Please ... don't do what I did."
4. "Henrietta, don't use a foreign language in front of the child, she'll get ideas!"

4.8 Henry Winkler

1. "There is no shame in dying for nothing. That's why most people die."

4.9 Hollyhock

1. "That voice, the one that tells you you're stupid, worthless, and ugly... it goes away right? It's just a dumb teenage girl thing, but... then it goes away?", "Yeah"

4.10 Secretariat

1. "BoJack, when I was your age, I got sad. A lot. I didn't come from such a great home, but one day, I started running, and that seemed to make sense, so then I just kept running. BoJack, when you get sad you run, straight ahead and you keep running forward no matter what there are people in your life that who are going to try to hold you back , slow you down , but you don't let them. Don't you ever stop running, don't ever look behind you there is nothing for you behind you. All that exists is whats ahead."

4.11 Wanda Pierce

1. "When you look at someone through rose-colored glasses, all the red flags just look like flags."

4.12 Amanda Hannity

1. "When we know what we know about a monster like that and we still put him on TV every week, we're teaching a generation of young boys and girls that a man's reputation is more important than the lives of the women he's ruined."

4.13 Fuzzy Whiskers

Chapter 19

Shigatsu wa kimi no uso ⋆ Your Lie in April (2014–2015)

19.1 Arima Kousei

1. "Spring will be here soon. Spring, the season I met you, is coming. A Spring without you... is coming."
2. "Everything you say and do... it all sparkles so brightly. It's too blinding for me, and I end up closing my eyes. But I can't help aspiring to be like you."
3. "Maybe... just maybe, the light can reach even the bottom of a dark ocean."
4. "Music speaks louder than words."
5. "For you, I am casting about for an excuse again."
6. "This silence belongs to us... and every single person out there, is waiting for us to fill it with something."
7. "This silence belongs to us. Every single person here... is waiting for us to start producing sounds."
8. "Isn't it funny how the most unforgettable scenes can be so trivial?"
9. "A lump of steel, like a shooting star. Just seeing the same sky as you makes familiar scenery look different. I swing between hope and despair at your slightest gesture, and my heart starts to play a melody. What kind of feeling is this again? What do they call this kind of feeling? I think it's probably... called love. I'm sure this is what they call love."
10. "Sure I'm okay. Because that's how I was built, after all."
11. "The piano is meant to be played like you're embracing it, right?"
12. "You know, I discovered something. Everyone has something... Something deep inside their hearts. For some, it might have been enmity. For others, admiration. Wishes, a craving for the spotlight, feelings that one wants to deliver, feelings for one's mother. Everyone was supported by their own feelings. I realize now that, perhaps, no one can stand alone on stage."
13. "You're like a cat. If I get close, you'll ignore me and go far away. If I get hurt, you'll play around to share the pain."
14. "The more I concentrate, the more I get consumed by my performance. The sounds I play fade away from my reach, tangling up like flowers seized by the spring wind and vanish."
15. "But I wasn't slacking at all. I practiced till I passed out. I gave my all. And if I still turned in a sloppy performance after all that, then... That's who I am now. It's the current me, playing with everything I've got."
16. "The moment I met her, my life changed. Everything I saw, everything I heard, everything I felt, all the scenery around me... started to take on color."
17. "I want to hear it again, yet I don't want to hear it. I want to see her, yet I don't want to see her. What do you call this kind of feeling again?"
18. "As if you can see right through me, into my heart... Always, out of nowhere, you... just show up."

19. "She's merciless. That unbending gaze even from the back, she won't let me give up. The one who was being supported... was me. Thank you. Thank you."
20. "A single petal that drifted into my life. The worst first impression ever. The girl who likes my best friend. Will it reach her? I hope it reaches her."
21. "You exist inside a spring that can't be replaced."
22. "Naïve... Bizarre... it's like I'm on a rollercoaster. I'm being jerked around and around. It's like this girl herself is the journey with no clear destination. You're freedom itself."
23. "That moment, when my music reached them... there's no way I could ever forget that. Because I'm a musician, just like you."
24. "She moves me. With such power, like the pounding of my heart. I can hear your sound. You're here."
25. "Because of music, I was given the chance to meet others. I was moved by those encounters. There are people I got to meet. I got to discover emotion. These are all... memories that my mother, who taught me how to play the piano, left me."
26. "Just one person matters to me. Only you matter."
27. "You're in love with food, you're in love with the violin, you're in love with music. I guess that's why you sparkle."
28. "After struggling, losing my way, and suffering... the answer I arrived at was so laughably simple..."
29. "This is all your fault. Because you put me back on the stage. Always... you move me. I'm going to prove it. That I'm incredible. That Kaori Miyazono, who's named me to be her accompanist... is even more incredible."
30. "I'm... going on a journey. The applause raining down. Pursuing that moment when my music reached them. Pursuing that sight of her with her back to me. until one day, for sure, I've pulled even with her... until that day comes."
31. "There's no-one who'd ever fall in love with me."
32. "To me it all looks like it's in monotone. Just like music scores... just like a keyboard."
33. "Setbacks come with the territory of becoming a superstar."
34. "Even it the depths of the darkest oceans, some light always pierces through."
35. "I knew all along. The ghost of my mother was a shadow of my own creation. An excuse for me to run away. My own weakness. Mom isn't there anymore. Mom... is inside me."
36. "The way I touch the keys, the way I move my fingers, my habit of squeezing the pedals, my tastes, the order that I eat... Mom's in every little gesture of mine. We're... Mom and I... are connected."
37. "I'm a guy who hurled my precious sheet music away. I don't deserve to be a performer."
38. "I look like I'm suffering, huh? That's not good... but of course I'd be suffering. I mean, I'm gonna sail in charted waters, right? Both, taking on a challenge and creating something. It is painful, but it's fulfilling. So thank you. For sweeping away the dust that had collected on my body. .. For encountering me... ever since that day... my world, even the keyboard... became colorful."
39. "Spring will be here soon. Spring, the season I met you, is coming. A Spring without you... is coming."
40. "That smile of yours, who flew threw the window and died. I'll never forget it."
41. "I couldn't ask her the reason for her tears."
42. "How can I forgot about you, when everything about you, already became a part of me?"
43. "Hold on. Don't go! Let's argue again. I'll bribe you with a canalé. I'll call you to kill time. I don't mind being Friend A. Please don't go. Please don't go. Please don't go...please don't leave me behind..."
44. "Nothing better than memories and there's nothing worse than them."
45. "You gave me forever within the numbered days. And I'm grateful."

46. "I just really wish that you were her. To compose another memory. I promise when I'm missing you. I'll play your symphony."

47. "What did you have in your heart? What did you lean on?"

48. "One day in April, I met a really weird violist. Totally outrageous. Self-righteous. But the smile she shows to people, she is like angelic."

49. "I have no idea what lies ahead, but I've taken the first steps."

50. "Ever since that day I met you, the world became colorful."

19.2 Kaori Miyazono

1. "Was I able to live inside someone's heart? Was I able to live inside your heart? Do you think you'll remember me at least a little? You'd better not hit "reset!" Don't forget me, okay? That's a promise, okay? I'm glad it's you, after all. Will I reach you? I hope I can reach you."

2. "If you can't move with your hands then play with your feet! If you don't have enough fingers, then use your nose as well. Whether you're sad, you're a mess, or you've hit rock bottom, you still have to play. That's how people like us survive."

3. "Maybe there's only a dark road ahead. But you still have to believe and keep going. Believe that the stars will light your path, even a little bit. Come on... Let's go on a journey!"

4. "Mozart's telling us from up the sky... "Go on a journey," he's saying."

5. So ephemeral and weak. But it's shining with all its might. Thump, Thump, like a heartbeat. This is the light of life."

6. "Such a cruel boy. Telling me to dream one more time. I thought I was satisfied because my dream had come true... And I'd told myself it was enough... Yet here you are, watering this withered heart again."

7. "We're all afraid, you know.. to get up on stage. Maybe you'll mess up. Maybe they'll totally reject you. Even so, you grit your teeth and get up on stage anyway."

8. "Music is freedom."

9. "By exchanging notes, you get to know one another, to understand one another. As if your souls were connected and your hearts were overlapping. It's a conversation through instruments. A miracle that creates harmony. In that moment, music transcends words."

10. "Do you think you will be able to forget?"

11. "Memories are always special. Sometimes we smile by remembering the days we cried. And cry by remembering the days we smile."

12. "Even if you know what's coming you're never prepared for the feels."

13. "You were my greatest hello. My saddest goodbye and the biggest what if. I will question it for the rest of my life."

14. "Don't worry if you're rejected. They maybe the people you want not the people you need."

15. "I want you to smile everytime you think about me and in your smile I will live forever."

16. "Sometimes laughter is not the best medicine it can also be a disguise."

17. "You and I, we have music in our bones."

19.3 Tsubaki Sawabe

1. "Even though I'm bitter over losing, even though I'm depressed, even though my ankle hurts, and my eyes are smeared with tears... even though I've never felt worse... I wonder why the stars are sparkling like this."
2. "Sure, I know that I have no right to be feeling this way. But I still don't like it! I just don't like it. We were always together. I was always by his side. During time of joy, and grief as well. But... I realize he's far away from me now... I'm not by his side... there's somebody else there."
3. "The boy I took for granted would always be my side, the boy I want to be by my side forever. I'm such an idiot."
4. "I wish time would just stand still."

19.4 Hiroko Seto

1. "We're all connected. Just like the notes are intermittently connected. It's shared by us all. Through music, with the people you know, with the people you don't know, with all the people in this world."
2. "Defiance toward parents is an establishment of one's self; it's a sign of independence."
3. It's not just allies who support each other. From your enemies, you learn so much and gain so much. Until the day you meet again... Just knowing they exist helps you to withstand the loneliness. Those who compete, even if they're enemies, help each other out."
4. "As a musician, in the process of learning from a teacher, your differences breed a sense of discomfort which you should cherish. It's because of those differences that we have individuality."
5. "When you say you "can't hear the sound", doesn't it really mean you "aren't restrained by the sound"? Rather than the sound you hear with your ears, an image inside you is boiling up from the depths of yourself and taking over without you even knowing. The sound inside, the landscape in your heart, your wishes, a sound loaded with your thoughts; didn't you feel it, even for a moment? "Not being able to hear the sound." That is a gift."

19.5 Watari Ryouta

1. "Setbacks are inevitable to superstars. Adversity is what separates the good from the great. After all, stars can only shine during the night."
2. "It's only natural for the girl you're crushing on to be in love with someone else. Since you're in love with her, she sparkles in your eyes. That's why people fall so irrationally in love."
